Full Stack Developer / Software Engineer

React.js | Next.js | JavaScript | HTML5 | CSS3 | Tailwind CSS | UI/UX | Responsive Design

I am a motivated CSE graduate with hands-on experience in building responsive, user-focused web applications using modern JavaScript frameworks. I excel at crafting intuitive front-end interfaces, integrating APIs, and developing scalable full-stack solutions with Node.js, Express.js, and PostgreSQL. Driven by clean coding practices, problem-solving, and performance optimization, I actively enhance my skills through real-world projects, internships, and working with modern development tools.
